WELCOME TO OUR

Monthly Newsletter

Some visit Updates

Allard Jacobs, a renowned bakery expert from the Netherlands and a representative of PUM visited our Sundarban German Bakery. With decades of experience, Allard shared his valuable insights on quality production, marketing, packaging, and new product development.

Our team members were thrilled to have the opportunity to learn from such an esteemed expert.

Right now, the Sabuj Kunri Center, established by Sabuj Sangha is running with IKP Foundation that supports and educates 40 marginalized children from railways squatter colonies in Taldi. It offers holistic development through academics, co-curricular activities, counseling, and nutrition.

Asha for Education's visit to Alipurduar

They interacted with children and observed livelihood activities.

Plantation of Mangroves

Our Latest initiative

Clean water – A splash of hope for Nadia

A significant step towards improving the lives of the people of Nadia was taken as Sabuj Sangha, in partnership with SBI Foundation, inaugurated a new Water Treatment Plant under the Gram Seva Programme. The plant is designed to provide clean and safe drinking water to the entire community.

The inauguration ceremony was graced by the presence of esteemed dignitaries, including Hon'ble Shri Sanjay Prakash, Managing Director of State Bank of India Foundation, Mr. Siddhlingesh B, Coordinator of SBI Gram Seva, Mr. Krishanu Chatterjee, Representative from SBI Shimurali Branch, and the local Panchayat Pradhan.

During the event, Mr. Prakash commended Sabuj Sangha for their tireless efforts in implementing impactful initiatives that contribute to sustainable development and enhance the quality of life in rural areas. He also emphasized SBI Foundation's dedication to supporting programs that create a positive change in the lives of underprivileged communities.

Webinar

We recently hosted a webinar exploring the intersection of gender, water, and empowerment. Our expert panelists discussed how gender inequality impacts access to clean water and how empowering women can lead to sustainable water management practices. The webinar featured insightful discussions and practical solutions.
