INDEPENDENT AUDITOR'S REPORT

To

The Members of Sabuj Sangha

Opinion

We have audited the financial statement of **Sabuj Sangha**, which comprise the Balance sheet of **Sabuj Sangha (Foreign Contribution and Non-Foreign Contribution)** as of 31st March 2025, the Statement of Income & Expenditure Account, Receipts & Payment Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements in which we have incorporated the audited financial statement of **Foreign Contribution and Non-Foreign Contribution** are audited by us and are prepared, in all material respects, in accordance with West Bengal Societies Registration Act, 1961.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in West Bengal, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- a. The accounts have been prepared following the Accrual Basis Accounting method.
- b. The society disclosed its significant accounting policies and notes on accounts.
- c. The Balance Sheet, the Statement of Income & Expenditure and Receipts & Payments dealt with by this Reports are in agreement with the books of account.
 - i. in the case of the Balance Sheet, of the state of affairs of the organization as at 31st March, 2025
 - ii. in the case of the Income & Expenditure Account, of the deficit of income over expenditure of the organization for the year ended on that date;

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

Signed in terms of our Report of Even Date.

SABUJ SANGHA
YEAR – 2024-2025

Notes to accounts and significant accounting policies
(The notes form an integral part of the financial statements)

NOTE 1

Sabuj Sangha is registered with The West Bengal Societies Registration Act, 1961 with registration no. SO 16979 of 1975-76.

This organization is engaged in activities to uplift underprivileged communities in remote areas by providing access to sustainable livelihoods, quality education, healthcare and natural resource management. This ensures a lasting impact on over 1,00,000 beneficiaries across nine districts of West Bengal.

NOTE 2

(A) SIGNIFICANT ACCOUNTING POLICIES

(i) Basis of Accounting

The financial statements have been drawn up under the historical cost convention and the accrual basis of accounting has been followed.

(ii) Fixed Assets

Fixed assets are stated at cost of acquisition including taxes, duties, freight and other incidental expenses relating to acquisition and installation.

(iii) Depreciation

Depreciation is charged on the written down value method as per rates and provisions of The Income Tax Act. The rates for individual assets considered have been stated in the relevant Schedule.

(iv) Investment

Comprises of Fixed Deposits with scheduled banks only and are stated at costs and interest received (net of TDS). These are held for periods exceeding 12 months.

(v) Foreign Currency

Foreign Currency transactions are recorded at the rates existing and allowed by the FCRA bank at the date on which the inward transactions take place. No payments in foreign currencies are made. Exchange rate fluctuations are normally never encountered.

Cont----2

((vi) Income Recognition

Income is generally recognized when received. This covers donation, contributions and collection from the community; participatory community contribution for use of facilities as per grant norms; interest from bank and other miscellaneous receipts. Grants for various projects, both Foreign Contribution and Non-Foreign Contribution, are recognized only when such grants are received as per norms and conditions of such grants. However, in case of project grants, recognition on the Basis of receivable is also made when there is absolute certainty of such grants being received as per terms and conditions of project grants.

(B) NOTES TO ACCOUNTS

(i) Expression of amounts:

Amounts have been expressed in hundreds of rupees. For these minor adjustments have been made in very few cases while expressing such figures.

(ii) Project Fund (credit balance):

Fund balances of various projects remaining unutilized at the end of the financial year are accumulated under Project Fund. These are derived by deducting utilizations from receipts during the year (unutilized balances, if any, at the beginning are also considered). In effect, project balances are represented by accumulations of advances made with closing cash and bank balances of projects. Further, advances made are adjusted.

Further, grants, which are absolutely certain of being released but have not been so received during the year, have negative balances. This occurs when project funds are released in installments and a part of such funds for the current year remain to be received even though expenditure have been incurred. Such a situation arises when utilization exceeds receipts (including balances at the beginning, if any). No uncertainty exists relating to receipt of such grant funds.

Projects Funds are shown at net balances.

(iii) Assets Verification:

Other than for assets procured during the year, fixed assets have not been physically verified during the current year also.

(iv) Project expenses:

Payments or expenses of individual projects have been shown separately for each project under approved line items. Depreciation of assets acquired from projects are charged to General Fund.

(v) Administrative expenses:

Expenses of administrative office like car upkeep, travel, electricity and maintenance, printing & stationery, telephone and communication are shown under this head.

(vi) Treatment of Project wise Income and Expenditure in Accounts:

During preparation of income and expenditure of projects, project funds actually utilized during the year have been taken into account under income. That part of project funds that have been utilized for acquiring fixed assets have been considered as application also and transferred to General fund. Balances remaining unutilized are carried forward as project funds.

(vii) Adjustment of Project Fund Balances and Advances:

Deficit Project fund balances that are not expected to be recovered and also completed projects with certain fund balances (all liabilities have been fully met) have all been fully adjusted with General Fund.

(viii) Advances/loans with Sabuj PTI, Sabuj B. ED College:

Such loans / advances have been made/taken during the year under review. The year-end balances have been fully reconciled and confirmed.

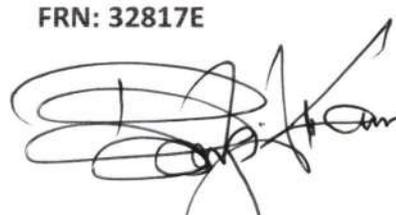

(ix) Remuneration to Key-managerial persons:

During the Financial Year the society paid remuneration to the key-managerial persons, which are stated below.

- a) Ansuman Das -Secretary & Director, as Hon Project Director Rs. 9,60,000/-
- b) Sibasankar Giri -President as Hon Principal Rs. 1,05,600/-
