Building Resilience, Expanding Possibilities

The year 2025–26 has been a year of deepening our commitment to communities and strengthening the pathways through which people can shape more secure and dignified futures. Across our programmes, we have continued to work with communities to respond to immediate needs, build capabilities, confidence and local systems that can sustain change.

This year, our work has reaffirmed the importance of an integrated approach to development. Through our education and child protection initiatives, we have supported children and adolescents to remain connected to learning while developing confidence, life skills and leadership. Our work with girls and young women has continued to create spaces for education, agency and economic aspiration. At the same time, initiatives such as the Sagar Euro Bakery and the Sewing and Handicrafts programme demonstrate how skills and collective enterprise can translate into greater economic participation and independence for women.

In the Sundarbans, where climate and water insecurity remain everyday realities, we have continued to invest in locally owned solutions. The revival of a long-neglected community pond, with a Pond Protection Committee of 42 beneficiary families, is one example of how environmental restoration, water security, livelihoods and community ownership can come together.

As we look towards the future, Sabuj Sangha remains committed to learning from communities, strengthening partnerships and adapting our programmes to emerging realities. We believe that sustainable development is built when people have the knowledge, resources and agency to lead change themselves.

I extend my sincere appreciation to our communities, colleagues, partners and donors whose trust and commitment make this work possible. Together, we will continue to build pathways towards a more inclusive, resilient and equitable future.

Ansuman Das
Secretary & Director

From The President's Desk

Continuing a Journey of Service and Hope

Every year at Sabuj Sangha reminds us that meaningful change begins with people, with communities that have the courage to confront challenges, children who continue to dream despite difficult circumstances, and women who seek opportunities to build more secure futures for themselves and their families.

The year 2025–26 has been another chapter in this continuing journey. Across our work in health, education, child protection, women's empowerment, livelihoods and water security, we have seen how sustained support can create opportunities that extend well beyond a single intervention. Children have remained in school and progressed in their education; adolescents have found spaces to develop confidence, leadership and life skills; and women have strengthened their skills, livelihoods and participation in household and community decision-making.

As Sabuj Sangha moves forward, our commitment remains rooted in the dignity, aspirations and strengths of the communities we serve. We are grateful to our staff, volunteers, partners, donors and well-wishers for walking alongside us and enabling this journey to continue.

May we remain guided by the same spirit of compassion, collective action and service that has shaped Sabuj Sangha through the years while continuing to learn, evolve and create possibilities for generations to come.

Sibasankar Giri
President

Governing Body

Mr. Sibasankar Giri (77)

President, B.Sc (Botany), PGBT

Mr. Giri is a founding member of Sabuj Sangha and remains associated with the organisation in multiple ways. He retired as the Principal of Nandakumarpur High School. He currently mentors and monitors the Model Primary School and the Residential School run by Sabuj Sangha. With his years of experience, he provides able leadership towards the growth of the organisation.

Mr. Saradindu Banerjee (77)

Vice President, M.Sc (Chemistry)

Mr. Banerjee has been the Founder Director of SAHAY, a non-profit organisation affiliated with Children International, USA, and has over 37 years of experience in the corporate and social development sectors. His key strengths are fund management and administration of large-scale social development programmes, human resource development, networking, monitoring, and research.

Mr. Ansuman Das (57)

Secretary, B.Com (H), PGDRD

Ansuman has been associated with Sabuj Sangha for nearly 30 years. He played an instrumental role in transforming Sabuj Sangha from a small NGO to its present status as a competent, implementing organisation, capable of designing and delivering complex development interventions in both the rural and urban areas.

Mr. Bhabesh Ch. Mondol (78)

Treasurer, B.A., P.T.T

A founding member of Sabuj Sangha and a retired teacher of Nandakumarpur Narayanitala Free Primary School, Mr. Mondol remains exceptionally passionate about the role of education in human growth and development. He engages actively in mentoring staff in the organisation.

Mrs. Alok Rani Bhunia (68)

Assistant Secretary, Secondary

An enthusiastic social worker, Mrs. Bhunia, advocates consistently against domestic violence and anchors the women's movement headed by Sabuj Sangha. She provides strategic support to Sundarban Mohila Swanirvar Gosthi Cooperative Society Ltd. and supervises the formation and strengthening of women's self-help groups to undertake various empowerment initiatives.

Mr. Palan Chandra Paik (59)

Member, Senior Secondary

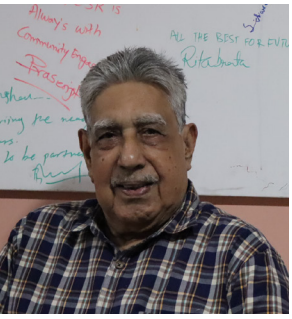

Associated with Sabuj Sangha for the past 25 years, his experience, vision, and strategy in enhancing collaboration and converging resources within the government and administration have been a catalyst for the organisation to move forward.

Mrs. Debi Rani Jana (65)

Member, 8th Standard

From very humble beginnings, Debi Rani became an integral part of Sabuj Sangha's women empowerment programmes. She additionally leads the Sundarban Mohila Swanirvar Gosthi Cooperative Society Ltd., an organisation that spearheads livelihood interventions in the Sundarbans operational area of Sabuj Sangha.

Dr. S. P. Sinha Roy (83)

Member, M.sc. In Applied Geology, Ph.d (Science)

President of Ground Water Studies, a former employee of the Central Ground Water Board, and Convener of West Bengal Task Force on Arsenic, Dr. Sinha Roy, has been with Sabuj Sangha for the last six years, providing technical support in the area of water resource management and overall strategic support.

Mrs. Saraswati Dalui (46)

Member, Completed 10th Standard

An enthusiastic social worker, Mrs. Dalui advocates consistently against human trafficking, child marriage, and domestic violence, and anchors the women's empowerment, gender equality, and women's entrepreneurship movement headed by Sabuj Sangha. She is also a founding member of Sundarban Mohila Swanirvar Gosthi Cooperative Society Ltd. and oversees the formation and development of women's self-help groups to undertake various empowerment initiatives.

Agenda for Annual General Meeting for FY 2025-26

Sabuj Sangha Registered Office, Address- Village & PO- Nandakumarpur, PS Raidighi, Dist. South 24 Parganas, PIN 743349

Participants - 21

Agenda

1. Reading and approval of the minutes of the previous meeting.
2. Presentation and discussion of the Annual Report for the 2024–2025 financial year.
3. Presentation and detailed discussion of the 'Financial Audit Report' on Income & Expenditure for the 2024–2025 financial year.
4. Discussion on selection and appointment of Auditor for 2025–2026 financial year.
5. Discussion on selection of members for Governing Body for 2026–2027 financial year.
6. Detailed discussion regarding the organization's plans for the next year, i.e. FY 2026-27.
7. Miscellaneous

Health & Nutrition

Eye Care Project

Location: Nandakumarpur village, Mathurapur II block, South 24 Parganas District

Supported by: IndienHilfe Deutschland e.V-Germany, UK Online Giving Foudation

Limited access to specialised healthcare in remote areas of the Sundarbans means that **preventable and treatable eye conditions can go undiagnosed, affecting people's vision, independence and quality of life**. The Eye Care Programme works to bridge this gap by making essential eye care more accessible and affordable for underserved communities. Implemented through **Swarnalata Sabuj Seva Sadan Hospital in Nandakumarpur**, the programme provides eye examinations, community-based screening and referrals, treatment for common eye conditions, spectacles and surgical care at minimal cost. Alongside direct services, it is strengthening local eye-care infrastructure and referral pathways, enabling people in remote communities to access timely diagnosis and treatment closer to home.

- **93 cataract surgeries conducted during the year**, helping restore vision and reduce avoidable vision impairment among people from underserved communities.

Strengthening Eye Care Services in Sundarbans

Location: Nandakumarpur village, Mathurapur II block, South 24 Parganas District

Supported by: Bosch Foundation - Netherlands

Sabuj Sangha has strengthened access to **quality eye care for underserved communities in the Sundarbans** through Swarnalata Sabuj Seva Sadan Hospital. With support from the **Bosch Foundation, Netherlands**, the hospital procured advanced **YAG Laser and B-Scan (AB Scan) equipment**, enhancing its capacity for timely diagnosis and treatment of eye conditions. This improved infrastructure is helping bring **specialised eye-care services closer to communities that have limited access to such facilities**.

Education & Protection

Natun Aalo

Location: Nandakumarpur village, Mathurapur II block, South 24 Parganas District

Supported by: Asha for Education, Give India

For boys from vulnerable families in the Sundarbans, poverty and limited opportunities can increase the risk of child labour, trafficking and dropping out of school. Natun Aalo provides a safe residential learning environment where boys can continue their education while receiving the care and support they need to grow. During 2025, the programme supported 22 boys with education, nutritious meals, healthcare, recreation and emotional support. Alongside academics, sports, cultural activities, life-skills sessions and everyday responsibilities help children build confidence, communication, discipline and teamwork. Regular family contact and home visits also help maintain important relationships and support their longer-term reintegration.

Key Milestones & Impact

- **100% school attendance** maintained among resident boys.
- **Most students successfully progressed** to the next academic level.
- **3 students completed Higher Secondary and entered college**—two pursuing D.El.Ed teacher training and one Geography Honours.
- **1 student completed Madhyamik and progressed to Class XI (Science).**
- Regular mentoring, life-skills and group activities strengthened confidence, **communication, teamwork and shared responsibility.**
- Continued family engagement helped children **remain connected with their families while pursuing their education.**

Kishalaya Sishu Siksha Niketan

Location: Nandakumarpur village, Mathurapur II block, South 24 Parganas District

Supported by: Asha for Education-Switzerland, Global Fund for Children (USA)

Kishalaya Sishu Siksha Niketan provides children from underserved communities in the Sundarbans with a **supportive, child-centred environment where academic learning is combined with opportunities for creativity, physical development and practical skills.** As of May 2026, the school supports **324 childrenó185 boys and 139 girls**. Alongside classroom education, children participate in news reading, computer education, physical training, drawing and nature-based learning through the school garden. These activities make learning more engaging while encouraging curiosity, confidence, creativity and healthy development. Small practices such as celebrating students' birthdays together also help create a school community where **every child feels recognised and valued**.

Key Milestones & Impact

- **324 children are currently** accessing quality education in a supportive learning environment.
- **Foundational digital skills** developed through practical computer education for students from Classes III to V.

- Physical training and creative activities encourage **fitness, discipline, self-expression and participation**.
- The **school garden brings learning closer to nature**, connecting classroom concepts with children's surroundings.
- Child-centred practices foster a stronger **sense of belonging, participation and joy in learning**.

Nayantara - Empowering Girl Children through Education & Entrepreneurship Development

Location: South 24 Parganas District, West Bengal

Supported by: IndienHilfe Deutschland e.V-Germany, Asha for Education-Switzerland, American Service to India -USA

Sabuj Sangha's flagship **Nayantara programme** continues to support adolescent girls and young women from vulnerable communities across the Sundarbans to remain connected to education while building the confidence, knowledge and skills to make informed choices about their lives. Many participants are **first-generation learners** growing up in communities where poverty, early marriage, gender discrimination and limited educational opportunities can restrict girls' choices. Through community-based coaching centres, mentoring and **Kishori Bahini groups**, Nayantara creates a supportive space where girls can learn, share their concerns, understand their rights and strengthen their voice and agency.

The programme complements academic support with discussions on **health and hygiene, child marriage, gender discrimination and domestic violence**, alongside financial literacy and savings, health monitoring, and education and hygiene kits. Residential camps and co-curricular opportunities in arts, drama, dance, sports and physical activities further encourage **leadership, teamwork, creativity and confidence**, helping girls explore their abilities beyond the classroom.

Key Milestones & Impact

- **340 girls and young women, aged 13ñ22 years, are currently supported through the programme.**
- Community-based coaching centres provide **continued academic support and mentoring**, particularly important for first-generation learners.
- Monthly **Kishori Bahini meetings** provide a safe platform to discuss education, health, rights and social issues affecting girls.
- Girls are building **financial awareness and independence** through guidance on savings and money management.
- Regular health monitoring and menstrual hygiene support strengthen attention to **adolescent health and well-being**.
- Co-curricular and sports activities, including opportunities to participate in football, encourage **confidence, teamwork, leadership and greater participation in spaces traditionally less accessible to girls**.

Through these interconnected efforts, Nayantara is helping girls **stay engaged with education, build confidence and agency, and strengthen their ability to navigate the social and economic barriers they encounter as they move towards adulthood.**

Naba Diganta

Location: Alipurduar District, West Bengal

Supported by: Asha for Education

Naba Diganta supports children from marginalised communities to remain connected to education by addressing some of the challenges that can disrupt learning, including poverty, seasonal migration, health concerns and limited academic support at home. Through **two education centres serving 180 childrenó83 boys and 97 girls from Classes II to X**, the programme combines regular academic support with nutrition, healthcare, life skills and family engagement. The centres operate six days a week, with additional attention provided to slow learners and first-generation learners through individual guidance, revision and remedial support. Children also participate in sports, creative activities and life-skills sessions covering health, hygiene, child rights, personal safety and protection. Regular home visits and parent meetings help identify children at risk of dropping out and enable families and teachers to work together to support their continued education.

Key Milestones & Impact

- **180 children** supported across two education centres, with attendance consistently maintained at **89-91%.**
- **No major dropout reported**, including during periods of seasonal migration.
- Children demonstrated **improved participation, study habits and confidence**, with progress observed in core subjects.
- **Daily nutritious breakfasts**, along with free health check-ups and medicines through Sanjeevani mobile medical clinics, support children's health and readiness to learn.
- Regular hygiene awareness and cleanliness activities have strengthened **healthy practices among children**.
- Home visits, counselling and parent engagement have helped **retain vulnerable children in education** and strengthen family support for continued schooling.
- Sports, drawing and life-skills activities encourage **confidence, teamwork, creativity and awareness of children's rights and protection**.

Aalor Disha - Child Support Program

Location: South 24 Parganas district, West Bengal

Supported by: IndienHilfe Deutschland e.V- Germany

Since 2021, **Aalor Disha Child Support Centre** has supported children from marginalised families living in vulnerable peri-urban communities around Champahati. Many of these children face financial hardship and risks of school dropout, child labour, early marriage and trafficking. The programme currently supports **70 children** by helping them remain in formal education while providing regular academic guidance, mentoring, counselling, study materials and a safe and caring space for their overall development. Alongside education, the programme focuses on children's confidence, literacy, health and well-being, while creating opportunities for them to develop skills and aspirations for the future.

Key Milestones & Impact

- **70 children** currently supported, with all children enrolled in formal schools.
- **7 first-generation learners successfully passed the Madhyamik Examination across 2025 and 2026,** marking an important educational milestone for the children and their families.
- Teachers and mentors have observed **improvements in literacy, interest in learning, confidence and academic engagement** among children attending the centre.
- In 2025, **6 children successfully completed IBM's Computer Literacy Programme**, receiving certificates and recognition for their participation.
- Following the previous year's participation, **5 children were selected for the Computer Literacy Programme in 2026**, expanding their exposure to digital learning and skills.
- Continued academic and emotional support is helping children **remain engaged with education and reduce their vulnerability to dropout, child labour and other protection risks**.

Child Sponsorship Programme

Location: Remote Villages in Sagar and Mathgurapur II blocks Sundarbans, West Bengal

Supported by: Heanseatic India Forum-Germany

For girls from economically vulnerable families in the Sundarbans, financial hardship can make **continuing education—particularly into higher secondary and higher education—difficult**. These challenges are compounded by social barriers that can limit girls' educational opportunities and increase their vulnerability to early marriage and other protection risks. With support from the **Hanseatic India Forum (HIF)**, Sabuj Sangha is supporting **seven girls from marginalised families, many of whom are first-generation learners**, to continue their education and work towards their aspirations. Alongside educational sponsorship, Sabuj Sangha engages with families to reinforce the importance of girls' education and encourage their continued participation in learning.

Key Milestones & Impact

- **5 girls** are receiving support to continue their education, from primary school through higher education and professional training.
- **These young women have reached the final stage of their graduation** with aspirations including physiotherapy, social work and further higher education while two are pursuing higher education.
- The initiative is helping girls from low-income families **remain connected to education and pursue educational and career pathways that may otherwise have been difficult to access**.

Pritisagar - Child Sponsorship Programme

Location: Mumbai & Pune Maharashtra

Supported by: IndienHilfe Deutschland e.V-Germany

Implemented across **Mumbai and Pune, Maharashtra**, the Child Sponsorship Programme helps children from vulnerable families access the educational and essential support they need to continue learning and thrive. The programme combines sponsorship and educational assistance with medical support for children and parents, recognising that a child's well-being is closely connected to the well-being of their family.

Key Milestones & Impact

- **50 children** supported through foster parent sponsorship.
- **15 children** received educational assistance to support their continued learning.
- **17 children and parents** received medical assistance, helping families access essential healthcare when needed.
- The programme provides a **holistic support system for vulnerable children and their families**, addressing educational and health-related needs.

FIFA Foundation Community Programme

Location: Villages of Mathurapur II and Patharpratima blocks of South 24 Parganas district, West Bengal

Supported by: FIFA Foundation - Switzerland

Sabuj Sangha's Sports for Development initiative uses sports and education as platforms to build confidence, leadership and life skills among adolescents from marginalised communities in the remote Sundarbans. The programme currently engages 400 adolescents—379 girls and 21 boys, aged 12–18 years—many of whom are first-generation learners with limited access to educational and developmental opportunities. Alongside academic support, adolescents participate in structured sports activities, life-skills sessions and creative skill development. Football training provides a space to practise teamwork, discipline, decision-making and leadership, while sessions on health, hygiene and communication strengthen skills that adolescents can apply in their everyday lives.

Key Milestones & Impact

- **400 adolescents** engaged, with a strong focus on creating opportunities for girls.
- Educational support through **learning materials, coaching, periodic assessments and follow-up** helps participants remain engaged with learning.
- Structured sports training strengthens **confidence, teamwork, discipline, leadership and decision-making skills**.
- Life-skills sessions build awareness around health, **hygiene, communication and leadership**.
- Drawing, tailoring and craft-making provide opportunities for **creativity and practical skill development**.
- Adolescents are encouraged to use their growing confidence and leadership to **speak up against child marriage, domestic violence and gender discrimination** within their communities.

Livelihoods & Women Empowerment

Sagar Euro Bakery

Location: Kamalpur Village, Sagar Island Block, Dist- South 24 Parganas, West Bengal

Supported by: Embassy of the Kingdom of Netherlands in India, Hans Blankert Fund of PUM Netherlands, IndienHilfe Deutschland e.V-Germany, E.V. Germany, Hanseatic India Forum, e. V. Germany

To restore the human rights and dignity of vulnerable women from marginalized communities in Sagar Island of the Sundarbans, South 24 Parganas district of West Bengal, India, Sabuj Sangha has established a community-run women led bakery named 'Sagar Euro Bakery'. The bakery became operational following the completion of its infrastructure, installation of modern bakery machinery, and technical training provided by PUM Netherlands Bakery Expert.

Around 75 marginalized women who remained prey to violation of their Human Rights in form of deprivation, domestic violence, isolation from the family, widowhood etc. now have got their own identity and a way to self-reliance through their involvement in the Bakery's Management, Production, Sales and Distribution of the range of Bakery Products i.e. breads, cakes, cookies etc.

Sewing & Handicrafts - Empowering Marginalized Women

Location: Purba Medinipur, West Bengal

Supported by: IndienHilfe Deutschland e.V-Germany

Since 2022, the **Sewing & Handicrafts Initiative** has supported **more than 20 women from marginalised communities** to build practical skills in sewing and handicrafts and create pathways towards sustainable livelihoods and greater economic independence. Beyond skills training, the initiative has helped strengthen **womenís confidence, leadership and entrepreneurial abilities**, alongside greater awareness of their rights. By enabling women to use their skills to contribute to household incomes, the programme has supported their **economic participation and decision-making within their families and communities**.

The initiative has also helped develop a local ecosystem for the production of **affordable garments and soft toys**, creating opportunities for women to continue applying their skills and earning beyond the training period. In doing so, it is building a foundation for **locally rooted, women-led livelihood opportunities that can continue to grow over time**.

Water Sanitation & Hygiene

Community Tube Well Project

Location: Maheshpur & Achintyanagar villages, Patharpratima Block, Sundarbans, South 24 Parganas, West Bengal

Supported by: IndienHilfe Deutschland e.V-Germany

In water-scarce communities of the Sundarbans, access to safe freshwater remains a significant everyday challenge, particularly for marginalised families. The Community Tube Well Project is helping address this gap by providing a more reliable source of safe drinking water and reducing dependence on saline and unsafe water sources. By bringing freshwater closer to communities, the initiative supports better health, hygiene and household well-being, while strengthening local resilience to persistent water scarcity.

Key Milestones & Impact

- **150+ marginalised families** have improved access to safe drinking water.
- **Reduced dependence** on saline and unsafe water sources for everyday needs.
- Improved freshwater access supports **healthier hygiene and sanitation practices** at the household level.
- Strengthened **community water security and resilience** in a region facing persistent freshwater scarcity.

Environment & Disaster response

Kanailal Raha Jol Prokolpo

Location: Dhananjay Colony, Sumatinagar, Sagar, South 24 Parganas, West Bengal

Supported by: American Service to India -USA

In **Sumatinagar village on Sagar Island**, recurring cyclones, flooding, saline water intrusion and freshwater scarcity affect everyday life as well as agriculture and livelihoods. With support from **Dr. Arun Deb** through **American Service to India -USA**, Sabuj Sangha is addressing these challenges through the **Kanailal Raha Jol Prokolpo**, restoring a large community pond that had remained heavily silted and largely unusable for almost five decades.

The **local community pond** has been revived as a community water resource for rainwater harvesting and groundwater recharge. Raised and strengthened embankments help protect stored freshwater from saline intrusion during flooding, while the water supports domestic needs, livestock and agriculture. The embankments are also being used for horticulture and seasonal vegetable cultivation, linking water security with household nutrition and livelihood opportunities.

Importantly, the initiative has been developed with active community participation. A **Pond Protection Committee representing 42 beneficiary families** oversees maintenance, protection and equitable use of the resource, helping build local ownership and long-term sustainability.

Key Milestones & Impact

- **53,625 sq. ft. community pond revived** after remaining largely defunct for nearly five decades.
- Improved **rainwater harvesting and groundwater recharge**, increasing local availability of freshwater.
- Raised embankments help **protect freshwater from saline intrusion** during floods and extreme weather events.
- Improved water availability supports **domestic needs, agriculture and livestock**, strengthening multiple dimensions of household resilience.
- Pond embankments are being used for **horticulture and seasonal vegetable cultivation**, supporting household nutrition and supplementary livelihood opportunities.
- A **Pond Protection Committee** comprising members of **42 families** supports the community-led management, maintenance and equitable access.
- Fish cultivation and allied activities contribute towards a **maintenance fund**, while solar-powered water supply helps reduce recurring costs.
- The initiative is creating a **community-owned water asset that strengthens resilience** in an area highly vulnerable to climate and water-related stresses.
